ALTO PRODUCTS CORP.

Alto Way • Atmore • AL • 36502 • USA • Tel: 251.368.7777 • Fax: 251.368.7774 • www.altousa.com

THE COMPANY . . .

Alto Products Corp. is the oldest and largest independently owned and operated manufacturer of clutches, brakes and gears for Automatic, Power-Shift and Standard Transmissions in the world. We specialize in the complete design and manufacturing of bonded friction materials, stamped steel separator reaction discs, brake bands, gasket & seal kits. Our capabilities include bonding, stamping, gear cutting, engineering, in-house tooling and design services. Alto has manufactured more than a billion clutches over the last 50 years. manufacturing and distributing begins at the corporate offices in Atmore, AL. Distribution facilities are located throughout North America in New Jersey, Los Angeles, Miami, Toronto and Mexico City. Export sales are handled by the Latin American Headquarters in Miami and supported by sales offices in Germany, Australia and Brazil

200,000 ft² facility in Atmore, AL

Alto's Clutch Manufacturing Plant

Research and Development Center

HEAVY DUTY & MARINE PRODUCTS . . .

Featured in this catalog is our line of Transmission Parts for Heavy-Duty & Marine Applications. We manufacture clutches, gears and gasket & seal kits for truck, bus, agricultural, material handling, earth moving, construction equipment and for pleasure, work and fishing boats.

DRIVE TRAIN PRODUCTS . . .

Alto Automatic Transmission Clutches:

The most complete line of clutches available anywhere in the industry. Our coverage includes the 1940's vintage Hydramatic to the most up to date 2010 applications.

Red Eagle® Hi-Performance:

Friction Material has an unique dual saturation which imparts high performance friction properties and high heat resistance. Also featured are PowerBands®, PowerPacks® and Kolene® Steels.

Alto Standard:

Manufacture and distribute a complete line of standard clutch systems for automotive, agricultural and heavy duty applications

Thank you for considering Alto Products Corporation as an alternative to your current sources. Currently, Alto is proud to produce a variety of kits and components in Federal Supply Classes 2520, 2530, 2590, 3010, 3020, 3040, 5310, 5330, and 5365.

Due to the large number of parts we offer, and in the interest of conservation, our marketing materials can be found on-line at <http://www.AltoUSA.com/newprod.htm>. Alto Products is open to suggestions for any new products that fit our product-line and ask that if you have any suggestions, questions, or comments, please contact our sales team by phone at 251-368-7777 or e-mail at Sales@AltoUSA.com

At Alto Products, we take pride in satisfying our client's needs by providing quality parts at a competitive price and we look forward to doing business with you!
