

**ALTO**  
**G3**  
*Friction  
Material*

**Alto invented Diesel Performance.**  
**G3 revolutionizes it!**

*G3 outperforms all other Diesel Performance friction materials on the market. Today's high horsepower diesel's have gone to a whole new level, so does Alto's NEW G3 friction material. Alto G3 friction material is engineered to be the most durable product for high-horsepower, high-torque diesel applications. If you want the best, request original Alto G3 Friction Material.*
