

# ALTO PRODUCTS CORP.

## New Product Release Race Ready Hi-Performance Rebuilding Kit

Transmissions: 31TH, A413, A470, A670

<b>Application:</b>	<b>Chrysler Corporation</b>
<b>Alto Part # :</b>	<b>45903HP</b>

These rebuild packages include band, filter, gasket and seal kit. There will be less chance of friction or steel element failure when you install this kit into your transaxle.

All friction plates have the race proven Red Eagle® lining, saturated in a phenolic resin and cured, with a second saturation in a silicate-- this helps reduce the steel plates from burning and warping.

Due to the salt bath nitriding process, the Kolene® steel plates have higher heat resistance and offer increased lubricity. This process also provides a surface treatment that enhances wear and fatigue resistance from 200% to 500%.

### Friction and Steel Elements

#### HI-PERFORMANCE - RED EAGLE®

Alto #	Description	Spec	Year	Qty	Notes
045740-210	Front (high/reverse)	.083/2.1	78-On	2-4	Red - 47T - OD: 4.887" - PL
045744-180	Rear (Forward)	.071/1.8	81-On	2-4	Red - 49T - OD: 4.898" - SM

#### HI-PERFORMANCE - KOLENE®

045703K	Front (high/reverse)	.101/2.5	81-On	3-4	8T - ID: 4.100" Kolene®
045705K	Rear (Forward)	.068/1.7	81-On	2-3	8T - ID: 4.255" Kolene®
