

Custom Product Quote Request Form

The custom product quotation will be based on the information presented on this form. Therefore, it is important you provide as much information as possible. Once the form is received and analyzed, an Alto representative will contact you within the next business day. Should you have any questions prior to being contacted, please feel free to contact us.

Thank you.

Section 1: General Information

Contact Name: _____ Phone: _____

Company: _____ Fax: _____

Address: _____

State: _____ Zip: _____ Email: _____

Section 2: Application

Start Clutch

Start

Hold

Stop

Slip or Tension

Brake

Other: _____

Section 3: Dimensional Requirements

Open

No Longer Than _____

Max. Diameter _____

Min. Diameter _____

Shaft Diameter _____

Drawings Available Yes No

Maximum Horsepower: _____

Maximum Energy: _____

Maximum Torque: _____

Maximum RPM: _____

Inertia: _____

Maximum Line Pressure: _____

Minimum Line Pressure: _____

Apply Piston Diameter or Area: _____

Maximum Slip Speed: _____

Duty Cycle Rate: _____

Number of Teeth on Spline: _____

Durability Requirements: _____
