Dear David,

Alto Products is pleased to announce...

	<h2>New Product Announcement</h2>	
MAKE	TRANSMISSION	APPLICATION
GM	PowerGlide	Front Clutch PowerPack®
Description & Notes		
<p>GM PowerGlide 62-73 Front Clutch PowerPack®</p> <p>Featuring G3 Frictions and Performance Steels!</p> <p>ALTO # 019755A</p> 		
<p>G3™ Friction Material is our highest energy material available. The friction material is specially formulated with graphitic carbon-based particles for minimum wear and maximum heat resistance. G3™ is engineered to be the most durable product for high horse power high torque applications.</p> <p>Performance Steels™ start with our standard Kolene® and then are run through the Alto proprietary process of polishing to lower and reduce the range of the Ra value. The Performance Steel™ improves shiftability while reducing wear and increasing fatigue resistance imparted by the Kolene® process.</p> <p>The combination of Alto G3™ and Alto Performance Steels™ once again revolutionizes the performance market.</p> <p>For more information go to http://www.altousa.com/page/high_performance</p> <p>Contact Us: sales@altousa.com For more announcements, visit our website: New Product Bulletins</p> <p>Contact your Alto Distributor for more information</p>
