TRANSMISSION: 3L80/TH400, TH375, TH425, TH475, 4L80E, 4L85E

PRODUCT TYPE: Steel Plate (OAT .077")

Description & Notes:

Forward & Direct .077" Steel Plates with 14 Teeth

3L80/TH400, TH375 1964-95
TH425, TH475 1966-78
4L80E, 4L85E 1990-On

Alto # 031703B

- This updated steel plate has a set of 14 full teeth like the early OE design, which will enable the steel plates to handle the increased horsepower and torque produced by hi-performance engines.
