Red Eagle® Hi-Performance PowerPistons™
Pistons designed specifically for High Performance and Heavy Duty use.

Alto invented the performance market. Red Eagle® led the way, followed by PowerPacks® PowerBands® Performance Steels™, G3™ and C4™ Friction Material. We are proud to announce Red Eagle® Hi-Performance PowerPistons™. Alto Red Eagle® PowerPistons™ feature a proprietary rubber designed with superior thermal properties for High Performance and Heavy Duty applications.

Benefits of high temperature Red Eagle® PowerPistons™

- Maintains physical and mechanical properties
- Maintains elasticity and flexibility without becoming stiff and brittle
- Low compression to ensure sealing capabilities
- Retains strength and integrity without degradation

If you want the best, request original Alto Red Eagle® Performance PowerPistons™

Available for: 4L60, 4L60E, 4L65E, 4L70E, Alto # 057670HP, 6L80E, 6L90E, and Alto # 195670HP
