If at any time this product fails, **send all failed clutches** and a copy of this card to the address above.

Installation Instructions

This kit has been manufactured and inspected to exceed OEM standards. This kit contains the maximum number of Carbonite® Hi-Energy Friction Plates to ensure optimum performance.

- Do not scratch or nick the Melonite® or Carbonite® surface
- Single sided Friction Material must face the back of the drum
- Double sided Friction must be the last Friction Plate installed
- **Automatic Transmission Fluid can be used with bikes that use separate oils for the engine, clutch and gearbox. Use JASO-MA and JASO-MA2 or any approved OE oil for single unit engines where the wet clutch, gearbox, and engine used the same oil**
- Presoak friction material before installation
- Consult your engine rebuilder for proper tuning specifications

Proper Handling and Installation must be followed or Warranty is Void

Warranty Registration

Warranty will be void if card is not returned within 30 days along with the required information and registration fee.

Alto Products Corp. warrants the products manufactured by Alto to be free of defects and to perform in the service designated for the life of the product. Alto, upon the return of the defective product, will provide replacement parts. Alto is not liable for costs in connection with removal, shipment or installation of said parts.

The only warranty extended under this agreement is the above expressed warranty and there are no warranties expressed or implied including warranties of merchantability, fitness for a particular purpose or otherwise, which extend beyond the face hereof.

Alto shall have no liability for any special, indirect or consequential damages arising from losses owing to failure of the products manufactured or sold by Alto, whether based on contract, negligence or otherwise with respect to said products.
